OR2009-08051

Dear Ms. Aguilar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 346160.

The Corpus Christi Police Department (the "department") received a request for a copy of the dispatch calls for service and photographs pertaining to a specified incident. You claim that the requested information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." This section encompasses information protected by other statutes. Gov't Code § 552.101. Chapter 772 of the Health and Safety Code authorizes the development of local emergency communications districts. Section 772.318 of the Health and Safety Code applies to an emergency communication district for a county with a population of more than 20,000 and makes confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a service supplier. *See* Open Records Decision No. 649 (1996). You state that the City of Corpus Christi (the "city") is within an emergency communication district that is subject to section 772.318. Based on your representations and our review, we find that the originating telephone number that you have marked is confidential under section 772.318 of the Health

and Safety Code. Therefore, the department must withhold this information under section 552.101 of the Government Code.

You assert that a portion of the remaining information is excepted under section 552.108 of the Government Code. Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime.” A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See* Gov’t Code §§ 552.108(a)(1), 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that the submitted photographs relate to a pending criminal investigation. Based on this representation, we conclude that the release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e.*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Thus, the department may withhold the submitted photographs you have marked under section 552.108.

You assert that some of the remaining information is excepted under section 552.130 of the Government Code, which provides that information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title, or registration issued by a Texas agency is excepted from public release. Gov’t Code § 552.130(a)(1), (2). The department must withhold the Texas motor vehicle record information you have marked, as well as the additional information we have marked, under section 552.130.

In summary, the department must withhold the originating telephone number that you have marked under section 552.101 in conjunction with section 772.318 of the Health and Safety Code. The department may withhold the submitted photographs you have marked under section 552.108. The department must withhold the Texas motor vehicle record information you have marked, as well as the additional information we have marked, under section 552.130. The remaining information must be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
