Assistant City Attorney
Killeen Police Department

Killeen, Texas 76541-5298

OR2009-09094

Dear Ms. Mapes:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"); chapter 552 of the Government Code. Your request was assigned ID# 352250 (KPD #W001534).

The Killeen Police Department (the "department") received a request for information related to a specified traffic accident. You state the department has provided some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note that some of the submitted information is not responsive because it was created after the date the department received the request. We have marked the non-responsive information. This ruling does not address the public availability of any information that is not responsive to the request and the department is not required to release that information in response to the request.

We next note the submitted responsive information includes a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (Texas Peace Officer's Accident Report form). Section 550.065(b) of the Transportation Code states that except as provided by subsection (c), accident reports are privileged and confidential. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident;

(2) name of any person involved in the accident; and (3) specific location of the accident. Transp. Code § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute. *Id.* In the present request, the requestor has provided the required information. Accordingly, the department must release the accident report in its entirety pursuant to section 550.065(c).

We next address your argument under section 552.108 of the Government Code for the remaining information. Section 552.108(a) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime.” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* § 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to a pending criminal investigation. Based on your representation and our review, we conclude release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Thus, we find section 552.108(a)(1) is applicable to the remaining responsive information.

We note, however, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88. Therefore, the department must release basic information, including a detailed description of the offense, even if the information does not literally appear on the front page of an offense or arrest report. *See* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*).

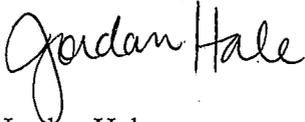

In summary, the department must release the marked CR-3 report pursuant to section 550.065 of the Transportation Code. With the exception of basic information, which must be released, the department may withhold the remaining responsive information under section 552.108 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php,
