City of Austin

OR2009-09207

Dear Ms. Grace:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 348041.

The City of Austin (the "city") received a request for any information related to a specified incident involving a named former city employee.¹ You state that the city will release some of the requested information. You claim that the remaining information is excepted from disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.²

Section 552.116 of the Government Code provides as follows:

¹You state the city sought and received clarification of the information requested from the requestor. See Gov't Code § 552.222(b) (stating that if information requested is unclear, governmental body may ask requestor to clarify or narrow request).

²We assume that the representative sample of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach and, therefore, does not authorize the withholding of any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

(a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history background check of a public school employee, is excepted from the requirements of Section 552.021. If information in an audit working paper is also maintained in another record, that other record is not excepted from the requirements of Section 552.021 by this section.

(b) In this section:

(1) 'Audit' means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.

(2) 'Audit working paper' includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:

(A) intra-agency and interagency communications; and

(B) drafts of the audit report or portions of those drafts.

Gov't Code § 552.116. You state that the information at issue consists of audit working papers created or utilized by the city auditor during an investigative audit. You also state that this audit was conducted under the authority granted by section 2-3-5 of the Austin City Code. Based on your representations and our review, we find you have demonstrated that the information at issue was prepared or maintained by the city auditor in conducting an audit authorized or required by an ordinance of the city. *See id.* § 552.116(a), (b)(1), (b)(2). Accordingly, the city may withhold the information at issue under section 552.116 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
