Ms. Ylise Janssen  
Senior School Law Attorney  
Austin Independent School District  
1111 West Sixth Street  
Austin, Texas 78703

OR2009-09351

Dear Ms. Janssen:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 348180.

The Austin Independent School District (the "district") received a request for a specified incident report. You claim that the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information that is made confidential by other statutes. Section 261.201(a) of the Family Code provides as follows:

(a) The following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

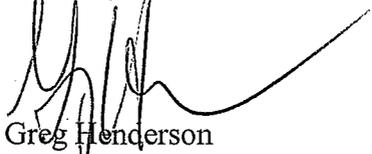

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). We note that the district is not an agency authorized to conduct a chapter 261 investigation. *See id.* § 261.103 (listing agencies that may conduct child abuse investigations). However, you represent that the submitted incident report was used or developed in an investigation of alleged or suspected child abuse conducted by the district's police department. *See id.* § 101.003(a) (defining "child" for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes). Based on your representation, we find that the submitted report is within the scope of section 261.201 of the Family Code. You have not indicated that the district's police department has adopted a rule that governs the release of this type of information. Therefore, we assume that no such regulation exists. Given that assumption, the submitted incident report is confidential pursuant to section 261.201 of the Family Code and must be withheld under section 552.101 of the Government Code. As our ruling is dispositive, we need not address your remaining arguments against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General at (512) 475-2497.

Sincerely,

Greg Henderson
