Dear Mr. Gorfida:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 349027.

The City of Allen Animal Shelter and the Allen Police Department (collectively the "city"), which you represent, received two requests from the same requestor for information pertaining to a specified dog attack. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision" and encompasses information made confidential by other statutes. Gov't Code § 552.101. Section 826.0311(a) of the Health and Safety Code, in relevant part, states the following:

(a) Information that is contained in a municipal or county registry of dogs and cats under Section 826.031 that identifies or tends to identify the owner or an address, telephone number, or other personally identifying information of the owner of the registered dog or cat is confidential and not subject to disclosure under Chapter 552, Government Code. The information contained within the registry may not include the social security number or the driver's license number of the owner of the registered animal.

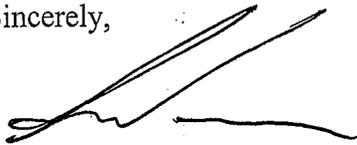

(b) The information may be disclosed only to a governmental entity or a person that, under a contract with a governmental entity, provides animal control services or animal registration services for the governmental entity for purposes related to the protection of public health and safety. A governmental entity or person that receives the information must maintain the confidentiality of the information, may not disclose the information under Chapter 552, Government Code, and may not use the information for a purpose that does not directly relate to the protection of public health and safety.

Health & Safety Code § 826.0311(a), (b). The submitted information consists of an Animal Redemption Form and a Kennel Card. Section 826.0311 only applies to the actual pet registry; it is not applicable to the contents of other records, even though those documents may contain the same information as the pet registry. *See* Open Records Decision No. 478 at 2 (1987) (statutory confidentiality requires express language making certain information confidential or stating that information shall not be released to public). Thus, none of the submitted information is confidential under section 826.0311 of the Health and Safety Code. As you raise no further exceptions against disclosure, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General at (512) 475-2497.

Sincerely,
