Dear Mr. Reinwand:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 355703 (No. 2009-06-165).

The Arlington Police Department (the "department") received a request for a specified arrest report. You state that the requested information is the subject of a previous open records letter ruling. You also claim that the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered your arguments and reviewed the information you submitted.

You inform us that the requested information was the subject of a previous request, as a result of which this office issued Open Records Letter No. 2009-08729 (2009). You indicate that there has been no change in the law, facts, and circumstances on which the previous ruling is based. We therefore conclude that the department must dispose of the requested information in accordance with Open Records Letter No. 2009-08729.<sup>1</sup> See Gov't Code § 552.301(a); Open Records Decision No. 673 at 6-7 (2001) (listing elements of first type of previous determination under Gov't Code § 552.301(a)).

---

<sup>1</sup>As we are able to make this determination, we do not address your claim under section 552.108 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
