Mr. Ronald J. Bounds  
Assistant City Attorney  
City of Corpus Christi  
P.O. Box 9277

OR2009-10837

Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 351279.

The City of Corpus Christi (the "city") received a request for the complete file regarding a specific traffic accident. You state that you are providing the requestor with some of the requested information. You claim that portions of the submitted information are excepted from disclosure under sections 552.101 and 552.136 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 thus encompasses information made confidential by other statutes, including section 773.091 of the Health and Safety Code, which is applicable to certain information related to the provision of emergency medical services ("EMS"). Section 773.091 provides in relevant part:

(b) Records of the identity, evaluation or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

(c) Any person who receives information from confidential communications or records as described by this chapter, other than a person listed in Section

773.092 who is acting on the survivor's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was obtained.

Health & Safety Code § 773.091(b)-(c). However, section 773.091(g) provides that, "[t]he privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services." *Id.* § 773.091(g). We conclude that, except for the information subject to section 773.091(g), the submitted EMS record you have marked is confidential under section 773.091. We note that such information may be released to "any person who bears a written consent of the patient or other persons authorized to act on the patient's behalf." *Id.* § 773.092(e)(4).

Section 552.136 of the Government Code provides that "[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." Gov't Code § 552.136(b); *see id.* § 552.136(a) (defining "access device"). We agree that the city must withhold the bank account information you have marked under section 552.136.

In summary, the city must withhold the marked EMS record, except for the information subject to section 773.091(g), under section 552.101 in conjunction with section 773.091 of the Health and Safety Code; and it must withhold the marked bank account number under section 552.136 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Mack T. Harrison
