

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

August 7, 2009

Mr. Mack Reinwand
Assistant City Attorney
Arlington Police Department
P.O. Box 1065
Arlington, Texas 76004-1065

OR2009-10986

Dear Mr. Reinwand:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 351383 (APD reference no. 2009-05-095).

The Arlington Police Department (the "department") received a request for all information regarding specified incidents involving two named individuals. You claim the submitted incident reports are excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."¹ Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 261.201(a) of the Family Code, which provides:

(a) The following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

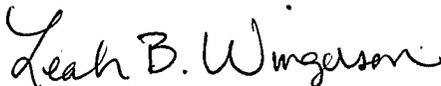

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). We note the submitted incident reports reflect the suspect was arrested for, among other things, indecency with a child, which falls within the definition of child abuse. *See id.* § 261.001(1)(E) (definition of child abuse includes indecency with a child under Penal Code section 21.11); *see also id.* § 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes). Thus, we find the submitted reports are within the scope of section 261.201 of the Family Code. You have not indicated the department has adopted a rule that governs the release of this type of information; therefore, we assume that no such regulation exists. Given that assumption, the department must withhold the submitted incident reports under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code. *See Open Records Decision No. 440 at 2 (1986)* (predecessor statute). As our ruling is dispositive, we need not address your argument against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General at (512) 475-2497.

Sincerely,

Leah B. Wingerson
Assistant Attorney General
Open Records Division
