Dear Ms. Camp-Lee:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 352405.

The City of Round Rock (the "city"), which you represent, received a request for police reports pertaining to a specified address and a specified incident. You state some information has been released. You claim portions of the submitted information are excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code excepts from disclosure "information [that] relates to . . . a motor vehicle operator's or driver's license or permit issued by an agency of this state [or] a motor vehicle title or registration issued by an agency of this state[.]" Gov't Code § 552.130. Accordingly, the city must withhold the Texas driver's license information you have marked pursuant to section 552.130 of the Government Code. As you raise no other exceptions to disclosure, the remaining information must be released.¹

¹We note that the information being released contains confidential information to which the requestor has a right of access. See Gov't Code § 552.023(a); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual asks governmental body to provide him with information concerning himself). Therefore, if the city receives another request for this same information from a different requestor, then the city should again seek a decision from this office.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
