Ms. Michelle L. Villarreal
Assistant City Attorney
City of Waco
P.O. Box 2570
Waco, Texas 76702-2570

OR2009-11600

Dear Ms. Villarreal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 352804 (LGL-09-602).

The Waco Police Department (the "department") received a request for information pertaining to a specified incident. You indicate that you are providing the requestor with some of the requested information. You claim that portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision," and encompasses information made confidential by other statutes. Gov't Code § 552.101. You contend that the originating telephone number of a 9-1-1 caller contained in the submitted CAD sheet is excepted under section 552.101 in conjunction with section 772.318 of the Health and Safety Code. Chapter 772 of the Health and Safety Code relates to local emergency communications districts. Section 772.318 applies to an emergency 9-1-1 district established in accordance with chapter 772, and makes confidential the originating telephone numbers and addresses of 9-1-1 callers that are furnished by a service supplier. *See* Open Records Decision No. 649 (1996). We understand the City of Waco to be part of an

emergency communication district that was established under section 772.318.¹ You have marked telephone number that the city seeks to withhold under section 772.318. We have marked what appears to be a 9-1-1 caller's originating address. Thus, we find that to the extent the telephone number you have marked, in addition to the address we have marked, are the originating telephone numbers and address supplied by a 9-1-1 service supplier, this information must be withheld under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code. However, to the extent any of the marked information was not supplied by a 9-1-1 service supplier, section 772.318 is not applicable to this information and it must be released to the requestor. The remaining information in the submitted call report must be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General at (512) 475-2497.

Sincerely,

Nneka Kanu
