

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

August 19, 2009

Ms. LeAnn M. Quinn
City Secretary
City of Cedar Park
600 North Bell Boulevard
Cedar Park, Texas 78613

OR2009-11608

Dear Ms. Quinn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 354118 (Reference Number 09-194).

The City of Cedar Park (the "city") received a request for a specified police report. You state the city will release some responsive information to the requestor. You claim that the remaining submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

You acknowledge, and we agree, that the submitted report involves an alleged violation of section 32.51 of the Penal Code, which provides that "[a] person commits an offense if the person obtains, possesses, transfers, or uses identifying information of another person without the other person's consent and with intent to harm or defraud another." Penal Code § 32.51(b). Article 2.29 of the Code of Criminal Procedure pertains to alleged violations of section 32.51 that occurred on or after September 1, 2005 and provides as follows:

(a) A peace officer to whom an alleged violation of Section 32.51, Penal Code, is reported shall make a written report to the law enforcement agency that employs the peace officer that includes the following information:

(1) the name of the victim;

- (2) the name of the suspect, if known;
- (3) the type of identifying information obtained, possessed, transferred, or used in violation of Section 32.51, Penal Code; and
- (4) the results of any investigation.

(b) On the victim's request, the law enforcement agency shall provide the report created under Subsection (a) to the victim. In providing the report, the law enforcement agency shall redact any otherwise confidential information that is included in the report, other than the information described by Subsection (a).

Crim. Proc. Code art. 2.29. For purposes of article 2.29, an offense is committed on or after September 1, 2005 if no "element of the offense occurs before that date." Act of Jun. 17, 2005, 79th Leg., R.S., ch. 294, § 1(b), 2005 Tex. Gen. Laws 885.

In this instance, the submitted report involves the fraudulent use or possession of identifying information. The requestor is the victim of the alleged crime, and the alleged offense occurred after September 1, 2005. Therefore, the report is subject to article 2.29 of the Code of Criminal Procedure and must be released to the requestor except to the extent it contains confidential information. You seek to withhold the report under section 552.108 of the Government Code. As a general rule, however, the exceptions to disclosure found in the Act do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Therefore, section 552.108 is not applicable to the submitted report and it may not be withheld on that basis. As you raise no other arguments against disclosure of the submitted report, it must be released to the requestor.¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

¹ We note that some of the information being released is confidential and not subject to release to the general public. However, the requestor in this instance has a special right of access to the information. Gov't Code § 552.023 (person or person's authorized representative has special right of access to records that contain information relating to the person that are protected from public disclosure by laws intended to protect that person's privacy interests). Because such information may be confidential with respect to the general public, if the city receives another request for this information from an individual other than this requestor, the city should again seek our decision.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General at (512) 475-2497.

Sincerely,

Jessica Eales
