Dear Ms. Jones:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 352995.

The Texas Board of Veterinary Medical Examiners (the "board") received a request for documentation regarding a specific case number, including the "names of the board members who concurred." You state you have released the requested names to the requestor. You claim that the remaining information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information. We have also received and considered comments submitted by the requestor. *See* Gov't Code § 552.304 (providing that an interested party may submit comments stating why information should or should not be released).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." *Id.* § 552.101. This exception encompasses information that other statutes make confidential. You claim that the submitted information is confidential under section 801.207 of the Occupations Code. Section 801.207(b) provides that "[a]n investigation record of the board, including a record relating to a complaint that is found to be groundless, is confidential." Occ. Code § 801.207(b); *see also* 22 T.A.C. § 575.27 (complaints-receipt, investigation and disposition). You state that the submitted information relates to a complaint filed with the board and its subsequent investigation. Based on your representation and our review, we

conclude the submitted information is confidential under section 801.207 of the Occupations Code and must be withheld from disclosure under section 552.101 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
