OR2009-11791

Dear Ms. Aguilar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 353294.

The Corpus Christi Police Department (the "department") received a request for the department's hurricane plan. You claim the requested information is excepted from disclosure under section 552.101 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential, including section 418.176 of the Texas Homeland Security Act (the "HSA"), chapter 418 of the Government Code. The fact that information may relate to a governmental body's security concerns does not make the information *per se* confidential under the HSA. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provisions controls scope of its protection). Furthermore, the mere recitation by a governmental body of a statute's key terms is not sufficient to demonstrate the applicability of a claimed provision. As with any

¹Although you initially raised section 552.108 of the Government Code, you have not submitted arguments explaining how this exception applies to the submitted information. Therefore, we presume that you have withdrawn this exception. *See* Gov't Code §§ 552.301, 552.302.

exception to disclosure, a governmental body asserting one of the confidentiality provisions of the HSA must adequately explain how the responsive records fall within the scope of the claimed provision. See Gov't Code § 552.301(e)(1)(A).

Section 418.176 of the Government Code provides in relevant part:

(a) Information is confidential if the information is collected, assembled, or maintained by or for a governmental entity for the purpose of preventing, detecting, responding to, or investigating an act of terrorism or related criminal activity and:

(1) relates to the staffing requirements of an emergency response provider, including a law enforcement agency, a fire-fighting agency, or an emergency services agency;

(2) relates to a tactical plan of the provider; or

(3) consists of a list or compilation of pager or telephone numbers, including mobile and cellular telephone numbers, of the provider.

Id. § 418.176(a). You state that the submitted Emergency and Hurricane Plan (the "plan") consists of information that is collected, assembled, and maintained by the department not only for the purpose of responding to hurricanes and other natural disasters, but also for preventing, detecting, responding to, or investigating other emergencies, including acts of terrorism or related criminal activity. You further state that the submitted plan relates to the department's staffing requirements and details the location and shift schedule of every officer and civilian in the department in the event of an emergency. Upon review, we agree that the submitted information details the specific staffing requirements in the event of acts of terrorism or various other disasters. Based on your claims and our review of the plan, we agree that the submitted information is confidential under section 418.176 of the Government Code and must be withheld from disclosure pursuant to section 552.101 of the Government Code.
