

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

August 24, 2009

Mr. Bill Delmore  
Assistant District Attorney  
Montgomery County  
207 West Phillips, 2<sup>nd</sup> Floor  
Conroe, Texas 77301

OR2009-11875

Dear Mr. Delmore:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 353639.

The Montgomery County District Attorney's Office (the "district attorney") received a request for the offense reports, Texas Peace Officer's Crash Reports, witness information, and narratives from a Texas Department of Public Safety report related to a specified motor vehicle accident. You claim that the submitted information is excepted from disclosure under sections 552.103 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note that the submitted information contains a CRB-3 accident report that appears to have been completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."<sup>1</sup> Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes, such as section 550.065(b) of the Transportation Code, which states that, except as provided by subsection (c), CRB-3 accident reports are privileged and confidential. *See* Transp. Code § 550.065(b).

---

<sup>1</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, a governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute. *Id.* Here, the requestor has provided the district attorney with two of the required pieces of information. Thus, the district attorney must release the marked CRB-3 accident report to this requestor in its entirety pursuant to section 550.065(c)(4) of the Transportation Code.

Section 552.108 of the Government Code provides in part:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from the requirements of Section 552.021 if:

(1) release of the information would interfere with the detection, investigation or prosecution of crime; [or]

(2) it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication[.]

Gov't Code § 552.108(a)(1), (2). We note that the protections offered by subsections 552.108(a)(1) and 552.108(a)(2) of the Government Code are, generally, mutually exclusive. Section 552.108(a)(1) applies to information pertaining to criminal investigations or prosecutions that are currently pending, while section 552.108(a)(2) protects law enforcement records pertaining to criminal investigations and prosecutions that have concluded in final results other than criminal convictions or deferred adjudication. A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). A governmental body that claims section 552.108(a)(2) must demonstrate that the requested information relates to a criminal investigation or prosecution that has concluded in a final result other than a conviction or deferred adjudication. *See Gov't Code* §§ 552.108(a)(2), .301(e)(1)(A).

You state that the submitted information relates to a pending criminal investigation and potential prosecution. Based upon your representation, we conclude that the release of the remaining submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e.*, 536 S.W.2d 559 (Tex. 1976) (*per curiam*) (court delineates law enforcement interests that are present in

active cases). Accordingly, we agree that section 552.108(a)(1) is generally applicable to the remaining information.

We note, however, that section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88; Open Records Decision No. 127 (1976) (summarizing types of information made public by *Houston Chronicle*). With the exception of basic information, the district attorney may withhold the remaining submitted information under section 552.108(a)(1).<sup>2</sup>

In summary, the district attorney must release the marked CRB-3 accident report to this requestor pursuant to section 550.065(c)(4) of the Transportation Code. With the exception of basic information, the remaining submitted information may be withheld under section 552.108 of the Government Code.<sup>3</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General at (512) 475-2497.

Sincerely,

Sarah Casterline  
Assistant Attorney General  
Open Records Division

<sup>2</sup>As our ruling is dispositive, we need not address your remaining argument against disclosure, except to note basic information held to be public in *Houston Chronicle* is generally not excepted from public disclosure under section 552.103 of the Government Code. Open Records Decision No. 597 (1991).

<sup>3</sup>We note that the submitted information includes the social security number of an arrested person. Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act.
