Dear Ms. Jimenez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 353957.

The Nueces County Sheriff's Office (the "sheriff") received a request for information related to an incident involving a named inmate. You indicate the sheriff need not comply with the request pursuant to section 552.028 of the Government Code. Alternatively, you claim that the requested information is excepted from disclosure under sections 552.103, 552.130, and 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.028 of the Government Code provides:

(a) A governmental body is not required to accept or comply with a request for information from:

- (1) an individual who is imprisoned or confined in a correctional facility; or
- (2) an agent of that individual, other than that individual's attorney when the attorney is requesting information that is subject to disclosure under this chapter.

(b) This section does not prohibit a governmental body from disclosing to an individual described by Subsection (a)(1), or that individual's agent, information held by the governmental body pertaining to that individual.

Gov't Code § 552.028. You state the named individual at issue is an inmate confined in the Nueces County Jail. The submitted request indicates that the requestor is seeking information for the named individual as he is unable to do so himself. The request further ~~states that the requestor will submit a release signed by the named individual. There is no~~ indication the requestor is a licensed attorney representing the incarcerated individual. *See id.* § 552.028(a)(2). Upon review, we agree the requestor is acting as the agent of the incarcerated individual for purposes of section 552.028. Therefore, the sheriff need not comply with this request for information.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
