

ATTORNEY GENERAL OF TEXAS

Mr. Ben Stool  
Assistant District Attorney - Civil Division  
Dallas County District Attorney's Office  
411 Elm Street - 5<sup>th</sup> Floor  
Dallas, Texas 75202-3384

OR2009-12498

Dear Mr. Stool:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 358869.

The Criminal District Attorney's Office of Dallas County (the "district attorney") received a request for any and all federal subpoenas issued to any Dallas County entity or individual during a specified time period. You state that the district attorney has released most of the requested information to the requestor. You claim that the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

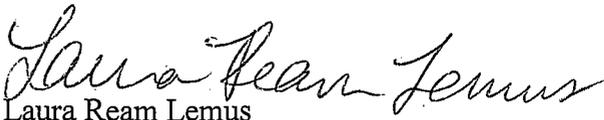

Section 552.108 of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to an investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Where a governmental body possesses information relating to a pending case of a law enforcement agency, the governmental body may withhold the information under section 552.108 if (1) it demonstrates that the information relates to the pending case and (2)

this office is provided with a representation from the law enforcement entity that the law enforcement entity wishes to withhold the information. You state, and provide supporting documentation showing, that the United States Attorney's Office for the Northern District of Texas (the "U.S. attorney") has objected to the release of the submitted information. The U.S. attorney asserts that release of the information at issue could interfere with an ongoing criminal investigation and prosecution. Based on this representation, we conclude that the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), writ ref'd n.r.e., 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Therefore, the district attorney may withhold the submitted information under section 552.108(a)(1).<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Laura Ream Lemus
