Mr. B. Chase Griffith  
City Attorney for the City of McKinney

OR2009-12811

Dear Mr. Griffith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 359501.

The McKinney Police Department (the "department"), which you represent, received a request for information pertaining to three specified case numbers. You claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note that you have only submitted information pertaining to two of the specified case numbers. Thus, to the extent any information responsive to the request for information pertaining to case number 09-032057 existed on the date the department received the request, we assume you have released it. If you have not released any such information to the requestor, you must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to requested information, it must release information as soon as possible).

Next, we note that the submitted documents include a CR-3 crash report that was completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) of the Transportation Code states that except as provided by subsection (c), accident reports are privileged and confidential. *See id.* § 550.065. Section 550.065(c)(4) provides for the release of accident reports to a person

who provides two of the following three items of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *See id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has not provided the department with any of the required pieces of information. Thus, the department must withhold the CR-3 accident report from the requestor under section 550.065(b) of the Transportation Code.

Next, we consider your argument against the disclosure of the remaining information, which consists of information pertaining to case number 09-031767. Section 552.108(a)(2) of the Government Code excepts from disclosure information concerning an investigation that did not result in conviction or deferred adjudication. *See Gov't Code* § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate that the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that case number 09-031767 pertains to a criminal investigation by the department that has been concluded and that did not result in conviction or deferred adjudication. Based on your representation and our review, we find that section 552.108(a)(2) is generally applicable to case number 09-031767.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. *Gov't Code* § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle Publishing Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Open Records Decision No. 127 (summarizing types of information considered to be basic information). Thus, with the exception of basic information, which must be released, the department may withhold case number 09-031767 under section 552.108(a)(2).<sup>1</sup>

In summary, the department must withhold the marked CR-3 report pursuant to section 550.065 of the Transportation Code. With the exception of basic information, which must be released, the department may withhold case number 09-031767 under section 552.108(a)(2) of the Government Code.

---

<sup>1</sup>We note that you have the discretion to release all or part of the remaining information in case number 09-031767 that is not otherwise confidential by law. *Gov't Code* § 552.007.
