

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

Mr. Hyattye O. Simmons
General Counsel
Dallas Area Rapid Transit
P.O. Box 660163

OR2009-13433

Dear Mr. Simmons:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 356288.

The Dallas Area Rapid Transit ("DART") received a request for several categories of information pertaining to a specified project.¹ You claim that the submitted information is excepted from disclosure under sections 552.105 and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note that the market study submitted as Exhibit C constitutes a completed report made for DART subject to 552.022(a)(1) of the Government Code. Section 552.022(a)(1) provides for required public disclosure of "a completed report, audit, evaluation, or investigation made of, for, or by a governmental body[,]" unless the information is expressly

¹We note that the requestor, in part, has asked DART to answer questions. The Act does not require a governmental body to answer factual questions, conduct legal research, or create new information in responding to a request. *See* Open Records Decision Nos. 563 at 8 (1990), 555 at 1-2 (1990). However, a governmental body must make a good faith effort to relate a request to information held by the governmental body. *See* Open Records Decision No. 561 at 8 (1990). We assume DART has made a good faith effort to do so.

confidential under other law or excepted from disclosure under section 552.108 of the Government Code. Gov't Code § 552.022(a)(1). You seek to withhold the information at issue under section 552.105 of the Government Code. However, section 552.105 is discretionary in nature and does not constitute "other law" for purposes of section 552.022. *See* Open Records Decision Nos. 665 at 2 n.5 (discretionary exceptions generally), 564 (1990) (statutory predecessor to 552.105 subject to waiver). Thus, as no other exception to disclosure of this information has been raised, we conclude that Exhibit C must be released pursuant to section 552.022 of the Government Code.

We now address your argument for the remaining information. You assert that Exhibits D and E are subject to section 552.111 of the Government Code, which excepts from disclosure "an interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency." Gov't Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, no writ); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined that section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events that are severable from advice, opinions, and recommendations. *See* ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

This office has also concluded that a preliminary draft of a document that is intended for public release in its final form necessarily represents the drafter's advice, opinion, and recommendation with regard to the form and content of the final document, so as to be

excepted from disclosure under section 552.111. *See* Open Records Decision No. 559 at 2 (1990) (applying statutory predecessor). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. *See id.* at 2.

Section 552.111 can also encompass communications between a governmental body and a third-party consultant. *See* Open Records Decision Nos. 631 at 2 (section 552.111 encompasses information created for governmental body by outside consultant acting at governmental body's request and performing task that is within governmental body's authority), 561 at 9 (1990) (section 552.111 encompasses communications with party with which governmental body has privity of interest or common deliberative process), 462 at 14 (1987) (section 552.111 applies to memoranda prepared by governmental body's consultants). For section 552.111 to apply, the governmental body must identify the third-party and explain the nature of its relationship with the governmental body. Section 552.111 is not applicable to a communication between the governmental body and a third-party unless the governmental body establishes it has a privity of interest or common deliberative process with the third-party. *See* ORD 561 at 9.

You inform this office that Exhibit E consists of a draft environmental impact statement of the project at issue, prepared for DART by a third-party consultant, and Exhibit D consists of the draft cost estimates prepared for the impact statement. You state that this information must be approved by the Federal Highway Administration before they are circulated for public comment, and you indicate that DART will release this information in its final form. *See* 23 C.F.R. § 771.123(e), (g) (draft environmental impact statement must be made available to public upon Federal Highway Administration's determination that it complies with applicable requirements). After reviewing your arguments and the information at issue, we find that DART may withhold Exhibits D and E under section 552.111 of the Government Code.

In summary, DART must release Exhibit C pursuant to section 552.022(a)(1) of the Government Code. DART may withhold Exhibits D and E under section 552.111 of the Government Code.
