OR2009-13663

Dear Mr. Reinwand:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 361176 (APD Reference No. 2009-08-123).

The Arlington Police Department (the "department") received a request for information relating to an accident. You claim that the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential.¹ Section 550.065(b) of the Transportation Code states that except as provided by subsection (c), accident reports are privileged and confidential. *See* Transp. Code § 550.065. Section 550.065(c)(4) provides for the release of an accident report to a person who provides two of the following three items of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *See id.* § 550.065(c)(4). Under this provision, the Texas Department of

¹Unlike other exceptions to disclosure, this office will raise section 552.101 on behalf of a governmental body, because the Act prescribes criminal penalties for the release of confidential information. *See* Gov't Code §§ 552.007, .352; Open Records Decision No. 325 at 2 (1982).

Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* The submitted information includes a crash report that was completed pursuant to chapter 550 of the Transportation Code. *See id.* § 550.064 (officer's accident report). In this instance, the requestor has not provided two of the three specified items of information. Therefore, the department must withhold the crash report we have marked pursuant to section 550.065(b) of the Transportation Code.

Section 552.108 of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that the rest of the submitted information is related to a pending case. Based on your representation, we conclude that section 552.108(a)(1) is generally applicable to the remaining information. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

We note, however, that the remaining information includes a citation. Because a copy of a citation is provided to an individual who is cited, we find that release of the submitted citation will not interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). We therefore conclude that the citation we have marked may not be withheld under section 552.108(a)(1).

We also note that section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). The department must release basic information, including a detailed description of the offense, even if the information does not literally appear on the front page of an offense or arrest report. The department may withhold the rest of the submitted information under section 552.108(a)(1).

Lastly, we note that the citation contains Texas driver’s license and motor vehicle information. Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator’s or driver’s license or permit or a motor vehicle title or registration issued by an agency of this state.² *See* Gov’t Code § 552.130(a)(1)-(2). The

²Unlike other exceptions to disclosure under the Act, this office will raise section 552.130 on behalf of a governmental body, as this exception is mandatory and may not be waived. *See* Gov’t Code §§ 552.007, .352; Open Records Decision No. 674 at 3 n.4 (2001) (mandatory exceptions).

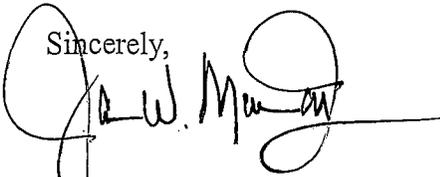

department must withhold the Texas driver's license and motor vehicle information we have marked under section 552.130.

In summary: (1) the department must withhold the marked crash report pursuant to section 550.065(b) of the Transportation Code; (2) except for the marked Texas driver's license and motor vehicle information, which must be withheld under section 552.130 of the Government Code, the marked citation must be released; and (3) the department may withhold the rest of the submitted information under section 552.108(a)(1) of the Government Code, except for the basic information that must be released under section 552.108(c).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
