Ms. Christina R. Sanchez
Assistant County Attorney
El Paso County

OR2009-13750

Dear Ms. Sanchez:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 361320.

The El Paso County Medical Examiner's Office (the "medical examiner") received a request for information concerning the death of a named individual, including autopsy photographs. You state that you have released a portion of the requested information. You claim that the remaining information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 excepts from disclosure "[i]nformation considered to be confidential by law, either constitutional, statutory, or by judicial decision." This section encompasses information protected by other statutes. Section 11 of article 49.25 of the Code of Criminal Procedure provides the following:

The medical examiner shall keep full and complete records properly indexed, giving the name if known of every person whose death is investigated, the place where the body was found, the date, the cause and manner of death, and shall issue a death certificate The records are subject to required public disclosure in accordance with Chapter 552, Government Code, except that a photograph or x-ray of a body taken during an autopsy is excepted from

required public disclosure in accordance with Chapter 552, Government Code, but is subject to disclosure:

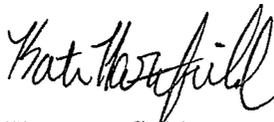

- (1) under a subpoena or authority of other law; or
- (2) if the photograph or x-ray is of the body of a person who died while in the custody of law enforcement.

Crim. Proc. Code art. 49.25, § 11. Because neither exception to confidentiality applies to the information in this instance, we agree that the medical examiner must withhold the submitted autopsy photographs pursuant to section 11 of article 49.25 of the Code of Criminal Procedure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
