Ms. Janie L. Johnson
Assistant Criminal District Attorney
Gregg County Criminal District Attorney's Office
101 East Methvin, Suite 333
Longview, Texas 75601

OR2009-14187

Dear Ms. Johnson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 362311.

The Gregg County Criminal District Attorney's Office (the "district attorney") received a request for all information pertaining to a specified case. You state the district attorney has released some of the requested information. You claim that the submitted information is excepted from disclosure under sections 552.101, 552.103, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information contains a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that, except as provided by subsection (c), accident reports are privileged and confidential. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has provided the district attorney with all three of the specified items of information.

Accordingly, the district attorney must release the marked CR-3 accident report to this requestor pursuant to section 550.065(c)(4) of the Transportation Code.

Next, we address your claim under section 552.108 of the Government Code for the remaining information. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). We note that the submitted information includes a citation and a statutory warning. Because copies of the citation and the statutory warning, which we have marked, have been provided to the arrestee, we find that their release will not interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Therefore, the department may not withhold the citation and the statutory warning under section 552.108(a)(1). You state that the remaining information relates to an open and pending criminal investigation. Based upon your representation and our review, we conclude that the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), writ ref’d n.r.e., 536 S.W.2d 559 (Tex. 1976) (per curiam) (court delineates law enforcement interests that are present in active cases). Thus, section 552.108(a)(1) is applicable to the remaining information

However, as you acknowledge, basic information about an arrested person, an arrest, or a crime is not excepted from disclosure under section 552.108. Gov’t Code § 552.108(c). Such basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-8; *see also* Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of the citation, the statutory warning, and basic information, the district attorney may withhold the remaining information under section 552.108(a)(1).¹

You indicate and we agree that the citation and the statutory warning contain information that is subject to section 552.130 of the Government Code. Section 552.130 excepts from disclosure “information [that] relates to . . . a motor vehicle operator’s or driver’s license or permit issued by an agency of this state [or] a motor vehicle title or registration issued by an agency of this state[.]” Gov’t Code § 552.130. Upon review, we find the district attorney

¹As our ruling is dispositive with respect to this information, we do not address your remaining claims against disclosure, except to note that basic information held to be public in *Houston Chronicle* is generally not excepted from public disclosure under section 552.103 of the Government Code. Open Records Decision No. 597 (1991).

must withhold the Texas motor vehicle record information we have marked in the citation and the statutory warning under section 552.130 of the Government Code.

In summary, the district attorney must release the marked CR-3 accident report form pursuant to section 550.065(c)(4) of the Transportation Code. With the exception of the citation, the statutory warning, and basic information, the district attorney may withhold the remaining information under section 552.108(a)(1) of the Government Code. The district attorney must withhold the information we have marked in the citation and the statutory warning under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
