

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

October 9, 2009

Ms. Melanie Barton
Assistant District Attorney
Dallas County
411 Elm Street, 5th Floor
Dallas, Texas 75202

OR2009-14266

Dear Ms. Barton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 357986.

Dallas County and its Civil Service Department (the "county") received a request for vehicle inspection sheets and incident reports during a specified time period. You claim the submitted information is excepted from disclosure under sections 552.103 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Initially, we note the submitted information is subject to section 552.022 of the Government Code, which states in relevant part:

(a) Without limiting the amount or kind of information that is public information under this chapter, the following categories of information are

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

public information and not excepted from required disclosure under this chapter unless they are expressly confidential under other law:

- (1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). The submitted information consists of completed reports. Pursuant to section 552.022(a)(1) of the Government Code, a completed report is expressly public unless it either is excepted under section 552.108 of the Government Code or is expressly confidential under other law. Section 552.103 of the Government Code is a discretionary exception that protects a governmental body's interest and may be waived. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive section 552.103); Open Records Decision No. 551 (1990) (statutory predecessor to section 552.103 serves only to protect governmental body's position in litigation and does not itself make information confidential); *see also* Open Records Decision No. 665 at 2 n.5 (2000) (discretionary exceptions generally). As such, section 552.103 is not other law that makes information confidential for the purposes of section 552.022. Consequently, the submitted information may not be withheld under section 552.103 of the Government Code. However, because information subject to section 552.022(a)(1) may be withheld under section 552.108, we will consider your argument under this exception for the submitted incident reports.

Section 552.108(b)(1) of the Government Code excepts from disclosure an internal record of a law enforcement agency that is maintained for internal use in matters relating to law enforcement or prosecution if "release of the internal record or notation would interfere with law enforcement or prosecution[.]" Gov't Code § 552.108(b)(1). Generally, a governmental body claiming section 552.108(b)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(b)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). This office has on numerous occasions concluded that section 552.108 excepts from public disclosure information relating to the security or operation of a law enforcement agency. *See, e.g.*, Open Records Decision Nos. 531 (1989) (holding that predecessor to section 552.108 excepts detailed guidelines regarding a police department's use of force policy), 508 (1988) (holding that release of dates of prison transfer could impair security), 413 (1984) (holding that predecessor to section 552.108 excepts sketch showing security measures for execution), 252 (1980) (section 552.108 is designed to protect investigative techniques and procedures used in law enforcement), 143 (1976) (disclosure of specific operations or specialized equipment directly related to investigation or detection of crime may be excepted). Section 552.108(b)(1) is not applicable, however, to generally known policies and procedures. *See, e.g.*, ORD 531 at 2-3 (Penal Code provisions, common law rules, and constitutional limitations on use of force not protected), 252 at 3 (governmental body failed

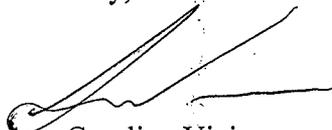

to indicate why investigative procedures and techniques requested were any different from those commonly known).

You state release of the information contained in the submitted incident reports would be detrimental to the county. However, you do not explain how release of this information would interfere with law enforcement. Consequently, we find you have failed to establish how public access to the information at issue would interfere with law enforcement; therefore, the county may not withhold any portion of the submitted incident reports under section 552.108(b)(1) of the Government Code. As no further exceptions are raised, the county must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
