OR2009-14339

Dear Ms. Aguilar:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 360489.

The Corpus Christi Police Department (the "department") received a request for a particular 9-1-1 tape, dashboard video, and other documents concerning a specified incident. You state that there is no dashboard video available for this particular request. We note that the Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990). You claim that the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by statute. Chapter 772 of the Health and Safety Code authorizes the development of local emergency communication districts. Section 772.118, 772.218, and 772.318 of the Health and Safety Code are applicable to emergency 9-1-1 districts established in accordance with chapter 772. *See Open Records Decision No. 649 (1996)*. These sections make the originating telephone

numbers and addresses of 9-1-1 callers furnished by a service supplier confidential. *Id.* at 2. Section 772.118 applies to an emergency communication district for a county with a population of more than two million. Section 772.218 applies to an emergency communication district for a county with a population of more than 860,000. Section 772.318 applies to an emergency communication district for a county with a population of more than 20,000.

We understand that the department is part of an emergency communication district established under section 772.318. You have marked the telephone number of a 9-1-1 caller that the department seeks to withhold under that section. Provided that it was furnished by a 9-1-1 service supplier, we agree that the department must withhold the marked information under section 552.101 of the Government Code in conjunction with 772.318 of the Health and Safety Code.

Next, you seek to withhold Texas motor vehicle record information within the submitted information under section 552.130 of the Government Code. Section 552.130 excepts from public disclosure information that relates to a Texas motor vehicle operator's or driver's license or permit or Texas motor vehicle title or registration. Gov't Code § 552.130(a)(1), (2). The department must withhold the Texas motor vehicle record information you have marked under section 552.130.

Section 552.108(a)(1) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that the submitted information relates to a pending criminal case. Based on this representation, and our review of the information at issue, we conclude that section 552.108(a)(1) is applicable to the marked information. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App. -Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Accordingly, you may withhold the information you have marked under section 552.108(a)(1) of the Government Code.

In summary: (1) the department must withhold the telephone number you have marked under 552.101 in conjunction with section 772.318 of the Health and Safety Code provided it was furnished by a 9-1-1 service provider; (2) the department must withhold the Texas motor vehicle record information you have marked under section 552.130; and (3) the department may withhold the information you have marked under section 552.108(a)(1) of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
