Dear Ms. Rangel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 358187.

The Fort Bend County Sheriff's Office (the "sheriff") received a request for a specified incident report, including the requestor's statement.¹ You claim that the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 58.007 of the Family Code, which makes confidential juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997. The relevant language of section 58.007 reads:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

¹You note, and we agree, the requestor has excluded social security numbers and driver's license and state identification numbers of third parties from the request. Accordingly, any such information in the submitted report is not responsive to this request. The sheriff need not release non-responsive information, and this ruling will not address it.

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). Under section 58.007, juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997 are confidential. *See id.* § 51.03(a), (b) (defining “delinquent conduct” and “conduct indicating a need for supervision”). For purposes of section 58.007, a “child” is a person who is ten years of age or older and under seventeen years of age. *See id.* § 51.02(2). The submitted information involves juvenile delinquent conduct that occurred after September 1, 1997. You do not indicate, nor does it appear, that any of the exceptions in section 58.007 apply to this information. Therefore, the submitted information is confidential under section 58.007(c) of the Family Code and must be withheld in its entirety under section 552.101 of the Government Code. As our ruling is dispositive, we need not address your remaining arguments against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
