

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

October 19, 2009

Mr. David K. Walker
County Attorney
Montgomery County
207 West Phillips, Suite 100
Conroe, Texas 77301

OR2009-14742

Dear Mr. Walker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 363221.

The Montgomery County Sheriff's Department (the "department") received a request for offense report number 09A015239. You state you will release some information. You claim the remaining requested information is excepted from disclosure under section 552.108 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Initially, we note that the submitted documents include a CR-3 crash report that was completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) of the Transportation Code states that except as provided by subsection (c), accident reports are privileged and confidential. *See id.* § 550.065. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three items of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *See id.* § 550.065(c)(4). Under this provision, the Texas Department of

¹Although you also raised section 552.101 of the Government Code as an exception to disclosure, you have provided no arguments regarding the applicability of this section. Since you have not submitted arguments concerning this exception, we assume that you no longer urge it. *See* Gov't Code §§ 552.301(b), (e), .302

Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has not provided the sheriff with two of the required pieces of information. Thus, the sheriff must withhold the submitted CR-3 accident report from the requestor under section 550.065(b) of the Transportation Code.

Section 552.108(a)(1) excepts “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You inform us that release of the remaining information would interfere with a pending criminal prosecution. Based on your representation, we determine that section 552.108(a)(1) is generally applicable to the remaining information. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

We note, however, that the information at issue contains a “Statutory Warning” and a “Notice of Suspension.” The sheriff provided copies of these forms to the cited individual. You have not explained how releasing this information, which has already been seen by the defendant, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the statutory warning and notice of suspension may not be withheld under section 552.108.

As you acknowledge, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88. The sheriff must release basic information even if the information does not literally appear on the front page of an offense or arrest report. *See* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). With the exception of the statutory warning, notice of suspension, and basic information, the sheriff may withhold the remaining information under section 552.108(a)(1) of the Government Code.

We note the statutory warning and notice of suspension contain information subject to section 552.130 of the Government Code.² Section 552.130 excepts from disclosure

²The Office of the Attorney General will raise a mandatory exception like section 552.101 of the Government Code on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

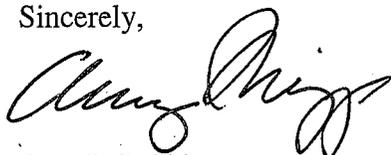

“information [that] relates to . . . a motor vehicle operator’s or driver’s license or permit issued by an agency of this state [or] a motor vehicle title or registration issued by an agency of this state[.]” Gov’t Code § 552.130. The sheriff must withhold the Texas driver’s license number we have marked in the statutory warning and notice of suspension pursuant to section 552.130 of the Government Code.

In summary, the sheriff must withhold the submitted CR-3 report pursuant to section 550.065 of the Transportation Code. Except for the statutory warning, the notice of suspension, and basic information, the sheriff may withhold the remaining information under section 552.108(a)(1) of the Government Code. In releasing the statutory warning and the notice of suspension, the sheriff must withhold the Texas driver’s license number we have marked pursuant to section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
