City of Midland  
P.O. Box 1152

OR2009-15029

Dear Ms. Brooks:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 363698.

The Midland Police Department (the "department") received a request for a specified incident report. You state that the department has released some of the requested information to the requestor. You claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes intoxilyzer results. Full information concerning the analysis of the specimen must be made available upon the request of the person who has given a specimen at the request of a peace officer. Transp. Code § 724.018. Here, the requestor is the individual who submitted the specimen. Thus, the department must release the intoxilyzer results to the requestor.

Next, we address your claim that the remaining information is excepted under section 552.108 of the Government Code, which excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body that claims an exception to disclosure under section 552.108 must reasonably explain how and why this exception is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You inform us that the submitted information relates to a pending criminal investigation and prosecution. Based upon your representation and our review, we find that section 552.108(a)(1) is applicable to the remaining information. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14<sup>th</sup> Dist.] 1975), *writ ref'd n.r.e.*, 536 S.W.2d 559

(Tex. 1976) (per curiam) (court delineates law enforcement interests that are present in active cases).

As you acknowledge, section 552.108 does not except from disclosure "basic information about an arrested person, an arrest, or a crime." Gov't Code § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88. The department must release basic information, including a detailed description of the offense, even if the information does not literally appear on the front page of an offense or arrest report. See Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). The department may withhold the remaining information under section 552.108(a)(1).

In summary, the department must release the intoxilyzer results to the requestor pursuant to section 724.018 of the Transportation Code. Except for basic information, which you state has been released, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Laura Ream Lemus
