Assistant Criminal District Attorney
Lubbock County

Dear Ms. Clarke:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 365323.

The Lubbock County Medical Examiner (the "medical examiner") received two requests from the same requestor for information pertaining to two specified autopsies. You indicate that the medical examiner has no information responsive to a portion of the requests.¹ You claim that the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

You assert the responsive information is excepted from disclosure under section 552.108 of the Government Code. Section 552.108(a)(1) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108. A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), 301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to an investigation or prosecution of criminal conduct. Open Records Decision No. 474 at 4-5 (1987). Where a non-law enforcement

¹The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

agency possesses information relating to a pending case of a law enforcement agency, the custodian of the records may withhold the information under section 552.108 if (1) it demonstrates that the information relates to the pending case and (2) this office is provided with a representation from the law enforcement entity that the law enforcement entity wishes to withhold the information. You represent to this office that the Lubbock County District Attorney's Office objects to the release of the information at issue because its release would interfere with a pending criminal investigation. Based on your representation, we conclude that the medical examiner may withhold the submitted information under section 552.108(a)(1) of the Government Code. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). As our ruling is dispositive, we need not address your remaining argument against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
