Dear Mr. Simmons:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 365858 (DART ORR #6894).

Dallas Area Rapid Transit ("DART") received a request for a specified report. You state DART has released some of the requested information. You claim that portions of the submitted information are excepted from disclosure under sections 552.130 and 552.136 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.130 of the Government Code excepts from disclosure "information [that] relates to . . . a motor vehicle operator's or driver's license or permit issued by an agency of this state [or] a motor vehicle title or registration issued by an agency of this state[.]" Gov't Code § 552.130. We have marked the Texas motor vehicle record information that DART must withhold under section 552.130 of the Government Code.

Section 552.136 of the Government Code states that "[n]otwithstanding any other provision of this chapter, a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." *Id.* § 552.136(b); *see id.* § 552.136(a) (defining "access device"). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136.

Accordingly, DART must withhold the insurance policy number we have marked under section 552.136 of the Government Code.

In summary, DART must withhold the information we have marked under sections 552.130 and 552.136 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
