Dear Mr. Simmons:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 366093 (ORR #6907).

The Dallas Area Rapid Transit ("DART") received a request for insurance information pertaining to a specified subcontractor. You claim that some of the requested information is excepted from disclosure under section 552.136 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.136 of the Government Code states that "[n]otwithstanding any other provision of this chapter, a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." *Id.* § 552.136(b); *see id.* § 552.136(a) (defining "access device"). This office has determined insurance policy numbers are access device numbers for purposes of section 552.136. Accordingly, we have marked the insurance policy numbers that are subject to section 552.136 of the Government Code. The remaining submitted information must be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
