Fort Bend County

Dear Ms. Rangel:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 367416.

The Fort Bend County Sheriff's Office (the "sheriff") received a request for information pertaining to a specified address since 2007. We note that the requestor excluded social security numbers, driver's license numbers, and state identification numbers of third parties from her request. Therefore, any such information within the submitted information is not responsive to this request. The sheriff need not release non-responsive information, and this ruling will not address that information. You also state you will release some of the requested information to the requestor. You claim that the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime.” A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. See Gov’t Code §§ 552.108(a)(1), 552.301(e)(1)(A); see also *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that incident report number 09-5809 relates to a pending criminal investigation. Based on this representation, we conclude that the release of this report would interfere with the detection, investigation, or prosecution of crime. See *Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. App.—Houston [14th Dist.] 1975), writ ref’d n.r.e., 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

Section 552.108(a)(2) excepts from disclosure information concerning an investigation that concluded in a result other than conviction or deferred adjudication. A governmental body claiming section 552.108(a)(2) must demonstrate that the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. You state that incident report 08-2039 pertains to a closed case that concluded in a result other than conviction or deferred adjudication. Therefore, we agree that section 552.108(a)(2) is applicable to this report.

We note, however, that section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*, and includes a detailed description of the offense. Therefore, with the exception of basic information, the sheriff may withhold incident report number 09-5809 pursuant to section 552.108(a)(1) of the Government Code and incident report number 08-2039 pursuant to section 552.108(a)(2) of the Government Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public

²As our ruling is dispositive, we need not address your remaining argument under section 552.130 of the Government Code, except to note that basic information described in *Houston Chronicle* does not include information subject to section 552.130.
