Ms. Dalia Flores

OR2009-17508

Dear Ms. Flores:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 364258.

The San Angelo Police Department (the "department") received a request for a specified incident report. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that other statutes make confidential. Section 58.007 of the Family Code provides in part:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

Fam. Code § 58.007(c), (e). Section 58.007(c) is applicable to records of juvenile conduct that occurred on or after September 1, 1997. *See* Act of June 2, 1997, 75<sup>th</sup> Leg., R.S., ch. 1086, §§ 20, 55(a), 1997 Tex. Gen. Laws 4179, 4187, 4199; Open Records Decision No. 644 (1996). The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See* Fam. Code § 51.02(2) (defining "child" for purposes of title 3 of Family Code). Section 58.007(c) is not applicable to information that relates to a juvenile as a complainant, victim, witness, or other involved party and not as a suspect or offender.

In this instance, the requestor's son was seventeen years old at the time of the incident. Thus, the requestor's son is not a "child" for purposes of subsections 58.007(c) and 58.007(e). *See id.* Accordingly, the requestor does not have a right of access to the report pursuant to section 58.007(e). However, two of the other suspects identified in the report were fifteen years old and sixteen years old at the time of the incident. Thus, we find that the requested information involves juvenile delinquent conduct that occurred after September 1, 1997. It does not appear that any of the exceptions in section 58.007 apply; therefore, the requested information is confidential pursuant to section 58.007(c) of the Family Code. You must withhold the information from disclosure under section 552.101 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
