OR2009-17662

Dear Ms. Rico:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 364252 (Reference ID# 4706).

The Edinburg Police Department (the "department") received a request for information pertaining to a specified incident. You claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note that the submitted report is related to an alleged violation of section 32.51 of the Penal Code, which provides that "[a] person commits an offense if the person, with the intent to harm or defraud another, obtains, possesses, transfers, or uses . . . identifying information of another person without the other person's consent[.]" Penal Code § 32.51(b). Article 2.29 of the Code of Criminal Procedure pertains to alleged violations of section 32.51 that occurred on or after September 1, 2005 and provides as follows:

(a) A peace officer to whom an alleged violation of Section 32.51, Penal Code, is reported shall make a written report to the law enforcement agency that employs the peace officer that includes the following information:

(1) the name of the victim;

- (2) the name of the suspect, if known;
- (3) the type of identifying information obtained, possessed, transferred, or used in violation of Section 32.51, Penal Code; and
- (4) the results of any investigation.

(b) On the victim's request, the law enforcement agency shall provide the report created under Subsection (a) to the victim. In providing the report, the law enforcement agency shall redact any otherwise confidential information that is included in the report, other than the information described by Subsection (a).

Crim. Proc. Code art. 2.29. For the purposes of article 2.29, an offense is committed on or after September 1, 2005 if no "element of the offense occurs before that date." Act of June 17, 2005, 79th Leg., R.S., ch. 294, § 1(b), 2005 Tex. Gen. Laws 885.

In this instance, the submitted report relates to a charge of credit card abuse, which constitutes an alleged violation of section 32.51, and the requestor is listed as the victim. Furthermore, the report is related to an offense that occurred after September 1, 2005. Therefore, the report is subject to article 2.29 of the Code of Criminal Procedure and must be released to the requestor, unless it contains confidential information. You seek to withhold the report at issue under section 552.108 of the Government Code. As a general rule, the exceptions to disclosure found in the Act do not apply to information that other statutes make public. *See* Open Records Decision Nos. 623 at 3 (1994), 525 at 3 (1989). Thus, the submitted information may not be withheld under section 552.108. As you raise no further exceptions to disclosure, the submitted information must be released to the requestor.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

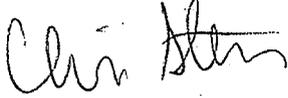

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
