Dear Ms. Plaster:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 366085.

The City of Lewisville (the "city") received a request for two specified incident reports and all information regarding any case the requestor has had in the Lewisville Municipal Court. You state you have released one of the requested incident reports. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 261.201(a) of the Family Code, which provides as follows:

(a) [T]he following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

¹To the extent the city had any additional responsive information on the date that it received this request, we assume you have released it. If you have not released any such records, you must do so at this time. See Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to requested information, it must release information as soon as possible).

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

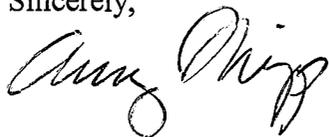

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). You state the submitted report was used or developed in an investigation under chapter 261; therefore, this information is within the scope of section 261.201 of the Family Code. *See id.* § 261.001(1)(E) (definition of child abuse includes aggravated sexual assault under Penal Code section 22.021). You state the city has not adopted any rules governing the release of this type of information. Accordingly, we conclude that the submitted information is confidential pursuant to section 261.201 of the Family Code, and the city must withhold it under section 552.101 of the Government Code. *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
