Ms. Camila W. Kunau

City Hall: 3<sup>rd</sup> Floor, P.O. Box 839966

OR2009-18151

Dear Mr. Barnett:

This is in reference to your request for a decision regarding information sought by Mr. Douglas E. Pennebaker. Your request for a decision was assigned ID# 365586 (COSA File Nos. 09-1247, 09-1256, 09-1265, 09-1276, and 09-1358).

The City of San Antonio (the "city") received seven requests from the same requestor for information pertaining to work performed by R. L. Jones Construction Company. You state that the city will release to the requestor all of the responsive information it possesses. Therefore, we understand that the city does not seek to withhold any information that is responsive to this request.

Generally, the Act authorizes the Office of the Attorney General to render decisions and opinions in two situations. The first occurs when a governmental body receives a written request for information from an individual or entity acting as a member of the public and requests a ruling from this office because the governmental body wishes to withhold responsive information in accordance with one of the Act's exceptions to disclosure. *See* Gov't Code §§ 552.301, .306. The second situation occurs when this office issues "materials, including detailed and comprehensive written decisions and opinions, that relate to or are based on [the Act]" in order to "maintain uniformity in the application, operation, and interpretation of [the Act]." Gov't Code § 552.011.

You state the city will release the information it possesses that is responsive to the request for information. You further state the city does not possess or have a right of access to any

other responsive information. Because you have not submitted any responsive information to this office that you seek to withhold, we will consider this matter closed. If you have any questions with regard to this letter, please refer to ID# 365586.

Sincerely,

Christopher D. Sterner  
Assistant Attorney General
