

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

December 30, 2009

Ms. Dana W. Cooley
Attorney at Law
P.O. Box 1006
Snyder, Texas 79550

OR2009-18401

Dear Ms. Cooley:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 365802.

The Snyder Police Department (the "department"), which you represent, received a request for any and all police reports involving charges against the requestor's client, including four specific arrests. You state that you have released a portion of the requested information. You claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the department's obligations under section 552.301 of the Government Code. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply not later than the tenth business day after the date of receiving the written request. *See Gov't Code § 552.301(b)*. You state that the department received the present request for information on September 29, 2009. However, you did not request a decision from this office until October 14, 2009. Consequently, the department failed to comply with the requirements of section 552.301(b) of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless the governmental body

demonstrates a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *City of Dallas v. Abbott*, 279 S.W.3d 806, 811 (Tex. App.—Amarillo 2007, pet. granted); *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Forth Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-81 (Tex. App.—Austin 1990, no writ); *see* Open Records Decision No. 630 (1994). The presumption that information is public under section 552.302 can generally be overcome by demonstrating that the information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3, 325 at 2 (1982). Although you raise section 552.108 of the Government Code, this section is a discretionary exception that protects a governmental body's interests and may be waived. *See* Open Records Decision Nos. 663 at 5 (1999) (untimely request for decision resulted in waiver of discretionary exceptions), 177 (1977) (statutory predecessor to section 552.108 subject to waiver). As such, it does not constitute a compelling reason to withhold information. Therefore, the department may not withhold any of the submitted information under section 552.108 of the Government Code. However, we note that the documents contain information subject to section 552.130 of the Government Code.¹ Section 552.130 can provide a compelling reason to withhold information, thus, we will consider the applicability of this exception to the submitted information.

Section 552.130 of the Government Code excepts from public disclosure information that relates to a Texas motor vehicle operator's or driver's license or permit or Texas motor vehicle title or registration. Gov't Code § 552.130(a)(1), (2). We have marked Texas motor vehicle record information that must be withheld under section 552.130 of the Government Code.² The remaining information must be released.³

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

²We note this office recently issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including Texas driver's license numbers and Texas license plate numbers under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.

³We note that the requestor has a special right of access to her client's section 552.130 information. *See* Gov't Code § 552.023 (person or person's authorized representative has a special right of access to records that contain information relating to the person that are protected from public disclosure by laws intended to protect that person's privacy interests). However, because such information may be confidential with respect to the general public, if the department receives another request for this information from an individual other than this requestor, the department must again seek a ruling from this office.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free at (888) 672-6787.

Sincerely,

Andrea L. Caldwell
