

ATTORNEY GENERAL OF TEXAS

GREG ABBOTT

January 29, 2010

Ms. LeAnn M. Quinn
City Secretary
City of Cedar Park
600 North Bell Boulevard
Cedar Park, Texas 372326

OR2010-01395

Dear Ms. Quinn:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 370665.

The Cedar Park Police Department (the "department") received a request for a specified report. You state some of the requested information will be made available to the requestor, but claim some of the requested information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we must address the department's obligations under section 552.301 of the Government Code, which prescribes the procedures that a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. The department received the request for information on November 18, 2009, but did not request a decision from this office until December 7, 2009.¹ See Gov't Code § 552.301(b). Thus, the department failed to comply with the procedural requirements mandated by section 552.301.

¹You inform us the department was closed on November 26 and 27, 2009.

A governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless the governmental body demonstrates a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *City of Dallas v. Abbott*, 279 S.W.3d 806, 811 (Tex. App.—Amarillo 2007, pet. granted); *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). The presumption that information is public under section 552.302 can generally be overcome by demonstrating that the information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3 (1994), 325 at 2 (1982). A compelling reason exists when third-party interests are at stake or when information is confidential under other law. Open Records Decision No. 150 (1977). Section 552.108 is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See* Open Records Decision Nos. 665 at 5 (1999) (untimely request for decision resulted in waiver of discretionary exceptions), 177 (1977) (statutory predecessor to section 552.108 subject to waiver). *But see* Open Records Decision No. 586 at 2-3 (1991) (claim of another governmental body under statutory predecessor to section 552.108 can provide compelling reason for non-disclosure). In failing to comply with section 552.301, the department has waived its claim under section 552.108; therefore, the department may not withhold any of the submitted information on that ground. However, section 552.130 of the Government Code can provide a compelling reason to overcome this presumption; therefore, we will consider whether this section requires you to withhold the submitted information.

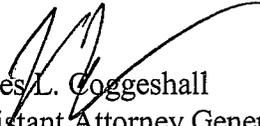

Section 552.130 of the Government Code provides that information relating to a motor vehicle operator's license, driver's license, motor vehicle title, or registration issued by a Texas agency is excepted from public release. Gov't Code § 552.130(a)(1), (2). We agree the department must withhold the Texas motor vehicle record information you have marked under section 552.130.² The department must release the remaining information to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

²We note this office recently issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including Texas driver's license numbers, copies of a Texas driver's license, Texas license plate numbers, the portion of a photograph that reveals a Texas license plate number, and the portion of any video depicting a discernible Texas license plate number under section 552.130 of the Government Code, without the necessity of requesting an attorney general opinion.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

James L. Coggeshall
Assistant Attorney General
Open Records Division
