Ms. Kristi Ray
Records Clerk
The City of Mexia
P.O. Box 207

OR2010-04297

Dear Ms. Ray:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 373911.

The Mexia Police Department (the "department") received a request for information pertaining to a specified incident. You state you have released the incident reports pertaining to the specified incident. We understand you to claim the responsive photographs are excepted from disclosure under section 552.101. We have considered the exception you claim and reviewed the submitted information. We have also considered comments submitted by the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

Initially we note the information contains a CR-3 accident report form, completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) of the Transportation Code states that, except as provided by subsection (c), accident reports are privileged and confidential. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Public Safety or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has provided the department with the information specified in section 550.065(c)(4). Therefore, the department must release the submitted CR-3 accident report form pursuant to section 550.065(b) of the Transportation Code.

We now address the arguments for withholding the remaining information. Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime.” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See* Open Records Decision No. 474 at 4-5 (1987).

Although you do not seek to withhold the incident report, we have received a letter from the Limestone County Attorney’s Office (the “county”) informing us it seeks to withhold the responsive information under section 552.108(a)(1). The county states the information pertains to a pending criminal investigation. Based on the county’s representations, we determine the release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

Section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic information held to be public in *Houston Chronicle*, and includes a detailed description of the offense. *See* 531 S.W.2d at 186-88. Thus, with the exception of basic information the department may generally withhold the remaining information pursuant to section 552.108(a)(1) of the Government Code.

We note section 552.007 of the Government Code provides that if a governmental body voluntarily releases information to any member of the public, the governmental body may not withhold such information from further disclosure unless its public release is expressly prohibited by law or the information is confidential by law. *See* Gov’t Code § 552.007; Open Records Decision No. 518 at 3 (1989); *see also* Open Records Decision No. 400 (1983) (governmental body may waive right to claim permissive exceptions to disclosure under the Act, but it may not disclose information made confidential by law). Accordingly, pursuant to section 552.007, the department may not now withhold the previously released information unless its release is expressly prohibited by law or the information is confidential by law. In this instance, it appears the department released the incident report that the county seeks to withhold under section 552.108. Section 552.108 does not prohibit the release of information or make information confidential. *See* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 586 (1991) (governmental body may waive section 552.108). Therefore, to the extent the department released any portion of the submitted information, the department may not now withhold such information under section 552.108. The department may, however, withhold the submitted photographs under section 552.108(a)(1).

If the incident report may not be withheld under section 552.108, then we note the incident report contains Texas motor vehicle information. Section 552.130 of the Government Code exempts from disclosure "information [that] relates to . . . a motor vehicle operator's or driver's license or permit issued by an agency of this state [or] a motor vehicle title or registration issued by an agency of this state[.]" Gov't Code § 552.130(a)(1), (2).¹ Accordingly, the department must withhold the information we have marked pursuant to section 552.130.²

In summary, with the exception of basic information, the department may withhold under section 552.108(a)(1) of the Government Code any information not previously released, including the requested photographs. The department must withhold the information we marked under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Chris Schulz
Assistant Attorney General
Open Records Division

¹The Office of the Attorney General will raise a mandatory exception, such as section 552.130, on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

²We note that this office recently issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including a Texas driver's license number under section 552.130, without the necessity of requesting an attorney general decision.
