

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

April 22, 2010

Ms. Ilse Bailey
Acting Kerr County Attorney
Kerr County Courthouse
700 Main Street, Suite BA-103
Kerrville, Texas 78028

OR2010-05745

Dear Ms. Bailey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 376837.

The Kerr County Attorney's Office (the "county attorney") received a request for all public information regarding a specified theft by check. You claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information. We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (providing that interested party may submit comments stating why information should or should not be released).

Initially, we note that you have only submitted a check to this office. Thus, to the extent any additional information responsive to the requestor's request for information pertaining to the specified theft by check incident existed on the date the county attorney received the request, we assume you have released it. If you have not released any such information, you must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes that no exceptions apply to requested information, it must release information as soon as possible).

Section 552.108 of the Government Code provides in part:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from the requirements of Section 552.021 if:

(1) release of the information would interfere with the detection, investigation or prosecution of crime; [or]

(2) it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication[.]

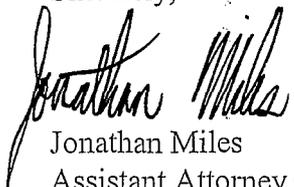

Gov't Code § 552.108(a)(1), (2). Please note that the protections offered by subsections 552.108(a)(1) and 552.108(a)(2) of the Government Code are, generally, mutually exclusive. Section 552.108(a)(1) applies to information pertaining to criminal investigations or prosecutions that are currently pending, while section 552.108(a)(2) protects law enforcement records pertaining to criminal investigations and prosecutions that have concluded in final results other than criminal convictions or deferred adjudication. A governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). A governmental body that claims section 552.108(a)(2) must demonstrate that the requested information relates to a criminal investigation that has concluded in a final result other than a conviction or deferred adjudication. *See Gov't Code* §§ 552.108(a)(2), .301(e)(1)(A).

You state that the submitted information relates to a pending criminal investigation. Based on your representation, we conclude that the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). Thus, the county attorney may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
