Ms. Myra K. Morris

For County of Jim Wells
802 North Carancahua, Suite 1300

OR2010-05785

Dear Ms. Morris:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 376957 (Jim Wells County File No. 46,769).

The County of Jim Wells (the "county"), which you represent, received a request for the names, dates of birth, and tax identification numbers of all county jail facility employees employed during a specified time period, as well as information related to filing a specified claim. You claim that the requested information is excepted from disclosure under sections 552.117, 552.1175, and 552.147 of the Government Code.¹ We have considered the exceptions you claim.

We must address the county's obligations under the Act. Pursuant to section 552.301(e) of the Government Code, a governmental body is required to submit to this office within fifteen business days of receiving the request (1) general written comments stating the reasons why

¹Although you raise section 552.024 of the Government Code, we note that this section is not an exception to public disclosure under the Act. Rather, this section permits a current or former official or employee of a governmental body to choose whether to allow public access to certain information relating to the current or former official or employee that is held by the employing governmental body. See Gov't Code § 552.024.

the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See* Gov't Code § 552.301(e). As of the date of this letter, you have not submitted to this office a copy or representative sample of the requested information. Consequently, we find that the county failed to comply with the procedural requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to submit to this office the information required in section 552.301(e) results in the legal presumption that the information is public and must be released. The information at issue is, therefore, presumed to be subject to required public disclosure and must be released, unless there is a compelling reason to withhold any of the information. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). This statutory presumption can generally be overcome when information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3, 325 at 2 (1982). You assert the requested information is excepted from disclosure under sections 552.117, 552.1175, and 552.147 of the Government Code.² However, by failing to submit any information for our review, we have no basis for finding it confidential under the claimed mandatory exceptions. Thus, we have no choice but to order the requested information released pursuant to section 552.302. If you believe the information is confidential and may not lawfully be released, you must challenge this ruling in court pursuant to section 552.324 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ²We note that section 552.024(c) of the Government Code authorizes a governmental body to redact, without the necessity of requesting a decision from this office, the home address, home telephone number, social security number, and family member information of a current or former employee who properly elected to keep his information confidential. *See* Gov't Code § 552.024(c). In addition, section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act. *See id.* § 552.147(b).
