Assistant County Attorney
Ector County

OR2010-08778

Dear Ms. Navarette:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 388867.

The Ector County Sheriff's Office (the "sheriff") received a request for information related to case number 147410. You claim that the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note that some of the submitted documents are medical records. The Medical Practice Act (the "MPA"), subtitle B of title 3 of the Occupations Code, provides in part the following:

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Occ. Code § 159.002(b), (c). This office has determined in governing access to a specific subset of information, the MPA prevails over the more general provisions of the Act. *See* Open Records Decision No. 598 (1991). This office has concluded that, when a file is created as the result of a hospital stay, all the documents in the file that relate to diagnosis and treatment constitute either physician-patient communications or records of the identity, diagnosis, evaluation, or treatment of a patient by a physician that are created or maintained by a physician. *See* Open Records Decision No. 546 (1990). Medical records must be released upon the patient's signed, written consent, provided that the consent specifies (1) the information to be covered by the release, (2) reasons or purposes for the release, and (3) the person to whom the information is to be released. *Id.* §§ 159.004. Section 159.002(c) also requires that any subsequent release of medical records be consistent with the purposes for which the governmental body obtained the records. Open Records Decision No. 565 at 7 (1990). Medical records may be released only as provided under the MPA. ORD 598. We have marked the medical records that may only be released in accordance with the MPA.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information at issue relates to a pending criminal case. Based on this representation, we conclude that section 552.108(a)(1) is generally applicable to the remaining information in this instance. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

We note, however, that section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of basic information, the sheriff may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

In summary, we have marked the medical records that may only be released in accordance with the MPA. With the exception of basic information, the sheriff may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
