Ms. Caroline E. Cho  
Assistant County Attorney  
Williamson County  
405 Martin Luther King Street, Box #7  
Georgetown, Texas 78626

OR2010-09065

Dear Ms. Cho:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 389220.

Williamson County (the "county") received a request for information related to a specified incident. You state the county does not have any information responsive to portions of the request.<sup>1</sup> You claim that the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108 of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

---

<sup>1</sup>The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.— San Antonio 1978, writ dismissed); Open Records Decision Nos.605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See* Open Records Decision No. 474 at 4-5 (1987). Where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

You state the requested information is maintained by Williamson County Emergency Services. You inform us the Williamson County District Attorney's Office objects to disclosure of the submitted information because release would interfere with its pending prosecution. Based on this representation and our review, we conclude that section 552.108(a)(1) is applicable to the submitted information. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

We note that section 552.108 does not except from disclosure "basic information about an arrested person, an arrest, or a crime." Gov't Code § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88. The county must release basic information, including a detailed description of the offense, even if the information does not literally appear on the front page of an offense or arrest report. *See* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). In this instance, the information at issue includes computer aided dispatch ("CAD") reports. In Open Records Decision No. 649 (1996), this office concluded that information contained in a CAD report is substantially the same as basic information. *See* ORD 649 at 3; *see also* Open Records Decision No. 394 at 3 (1983) (there is no qualitative difference between information contained in radio cards or radio logs and front-page offense report information expressly held to be public in *Houston Chronicle*; thus, such information is generally public). Therefore, with the exception of basic information, the county may withhold the submitted information under section 552.108(a)(1).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.
