Dear Ms. Monteros:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 409366 (CA – OP-10-468).

The El Paso Medical Examiner's Office (the "medical examiner") received a request for records, including photographs, pertaining to a named individual. You state the medical examiner has released some of the responsive information. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. You claim the submitted photographs are excepted from disclosure under section 11 of article 49.25 of the Code of Criminal Procedure, which is encompassed by section 552.101, and provides as follows:

The medical examiner shall keep full and complete records properly indexed, giving the name if known of every person whose death is investigated, the place where the body was found, the date, the cause and manner of death, and shall issue a death certificate . . . The records are subject to required public disclosure in accordance with Chapter 552, Government Code, except that a photograph or x-ray of a body taken during an autopsy is excepted from

required public disclosure in accordance with Chapter 552, Government Code, but is subject to disclosure:

- (1) under a subpoena or authority of other law; or
- (2) if the photograph or x-ray is of the body of a person who died while in the custody of law enforcement.

Crim. Proc. Code art. 49.25, § 11. We note the submitted photographs are photographs of a body taken during an autopsy. You state neither of the statutory exceptions to confidentiality is applicable in this instance. Based upon your representations and our review, we find that the medical examiner must withhold the submitted photographs under section 552.101 of the Government Code in conjunction with section 11 of article 49.25 of the Code of Criminal Procedure.
