

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

January 3, 2011

Mr. Ronald J. Bounds  
Assistant City Attorney  
City of Corpus Christi  
P.O. Box 9277  
Corpus Christi, Texas 78469-9277

OR2011-00064

Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 404776.

The City of Corpus Christi (the "city") received a request for water bills and payment history for four specified properties during a specified period of time. You claim that the requested information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the claimed exceptions and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code provides, in relevant part:

(a) Information held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime is excepted from [required public disclosure] if:

(1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]

Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 applies to information held by a "law enforcement agency." However, section 552.108 may be invoked by the proper custodian of information that relates to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Thus, where a non-law enforcement agency has custody of information that would otherwise qualify for exception

under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

You state that the requested information relates to an ongoing investigation by the city's police department (the "department"). You state, and provide documentation establishing, that the department objects to disclosure of the information because release would interfere with the active felony theft investigation. Based on your representations, we conclude that the city may withhold the submitted information under section 552.108(a)(1) of the Government Code. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (specifying law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Because our ruling is dispositive, we do not address your remaining argument against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free at (888) 672-6787.

Sincerely,

Misty Haberer Barham
