Mr. Charles H. Weir  
Assistant City Attorney  
City of San Antonio  
P.O. Box 839966  
San Antonio, Texas 78283

OR2011-01243

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 407142 (COSA# 2010-6834).

The San Antonio Police Department (the "department") received a request for all records pertaining to a named individual, including incidents at a specified address. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the department's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See* Gov't Code § 552.301(b). Further, pursuant to section 552.301(e), a governmental body must submit to this office within fifteen business days of receiving an open records request (1) general written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, (3) a signed statement or sufficient evidence showing the date the governmental body received the written request, and (4) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents. *See id.* § 552.301(e)(1)(D). The department received the request for

information on October 19, 2010. Accordingly, you were required to provide the information required by section 552.301(b) by November 2, 2010. Moreover, you were required to provide the information required by section 552.301(e) by November 9, 2010. The envelope in which the department provided the information required by subsections 552.301(b) and 552.301(e) was postmarked November 12, 2010. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Accordingly, we conclude the department failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 319 (1982). Generally, a compelling reason exists when third party interests are at stake or when information is confidential under other law. Open Records Decision No. 177 (1977). Section 552.101 can provide a compelling reason to overcome this presumption. Therefore, we will address the applicability of section 552.101 to the submitted information.

Next, we note you have not submitted information pertaining to incidents at the specified address. To the extent any information responsive to this portion of the request existed on the date the department received the request, we assume the department has released it. If the department has not released any such information, it must do so at this time. *See* Gov't Code §§ 552.301(a), .302; *see also* Open Records Decision No. 664 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. Section 550.065(c)(4) provides for release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of

information specified by the statute.<sup>1</sup> In this instance, the requestor has not provided the department with two of the three pieces of required information pursuant to section 550.065(c)(4). Accordingly, the department must withhold the submitted CR-3 report under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
