OR2011-02231

Dear Ms. Plaster:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 412867.

The City of Lewisville (the "city") received a request for information relating to a specified case number. You state some of the requested information has been released. You claim other responsive information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

We first note the submitted information includes the requestor's fingerprints. Section 560.003 of the Government Code provides that "[a] biometric identifier in the possession of a governmental body is exempt from disclosure under [the Act]."<sup>1</sup> Gov't Code § 560.003; *see id.* § 560.001(1) ("biometric identifier" means retina or iris scan, fingerprint, voiceprint, or record of hand or face geometry). Section 560.002 of the Government Code provides, however, that "[a] governmental body that possesses a biometric identifier of an individual . . . may not sell, lease, or otherwise disclose the biometric identifier to another person unless . . . the individual consents to the disclosure[.]" *Id.* § 560.002(1)(A). Thus,

<sup>1</sup>Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information other statutes make confidential.

the fingerprints we have marked must be released to this requestor pursuant to section 560.002(1)(A). *See* Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual requests information concerning himself).

The submitted information also includes a crash report completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) of the Transportation Code states that except as provided by subsection (c) or (e), accident reports are privileged and confidential. *See id.* § 550.065(b). Section 550.065(c)(4) provides for the release of an accident report to a person who provides two of the following three items of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *See id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has not provided the city with two of the three specified items of information. Therefore, the city must withhold the submitted crash report pursuant to section 550.065(b) of the Transportation Code.

Next, we address your claim for the remaining information at issue under section 552.108 of the Government Code. Section 552.108(a)(1) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the rest of the information at issue is related to a pending criminal case. Based on your representation, we conclude section 552.108(a)(1) is applicable in this instance. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

We note section 552.108 does not except from disclosure "basic information about an arrested person, an arrest, or a crime." Gov't Code § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88. The city must release basic offense and arrest information, including a detailed description of the offense, even if the information does not literally appear on the front page of an offense or arrest report. *See* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). The city may withhold the remaining information at issue under section 552.108(a)(1).

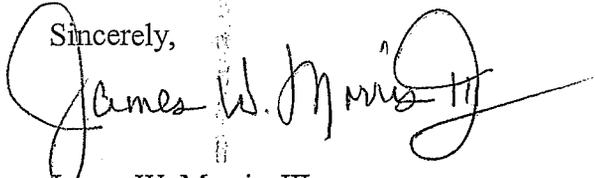

In summary: (1) the city must release the marked fingerprints to this requestor pursuant to section 560.002(1)(A) of the Government Code; (2) the city must withhold the submitted crash report pursuant to section 550.065(b) of the Transportation Code; and (3) the city may

withhold the rest of the information at issue under section 552.108(a)(1) of the Government Code, except for the basic information that must be released under section 552.108(c).<sup>2</sup>

<sup>2</sup>We note basic information includes an arrested person's social security number. Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act. The requestor has a right, however, to his own social security number. *See generally* Gov't Code § 552.023(b) (governmental body may not deny access to person to whom information relates, or that person's representative, solely on grounds that information is considered confidential by privacy principles).
