School Attorney
Dallas Independent School District

OR2011-02306

Dear Ms. McGowan:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 410379 (ORR# 9819).

The Dallas Independent School District (the "district") received a request for all district police department incident reports during a specified time period. We understand the district will release some of the requested information. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997 are confidential under section 58.007(c) of the Family Code. The relevant language of section 58.007(c) reads as follows:

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

- (1) if maintained on paper or microfilm, kept separate from adult files and records;
- (2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and
- (3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). For purposes of section 58.007(c), “child” means a person who is ten years of age or older and under seventeen years of age. *See id.* § 51.02(2). You state, and we agree, a portion of the submitted information, which you have indicated, involves juvenile delinquent conduct that occurred after September 1, 1997. *See id.* § 51.03 (defining “delinquent conduct” for purposes of Fam. Code § 58.007). It does not appear any of the exceptions in section 58.007 apply. Therefore, the information at issue is confidential and the district must withhold it under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title, or registration issued by a Texas agency is excepted from public release. Gov’t Code § 552.130(a)(1), (2). Accordingly, the district must withhold the Texas motor vehicle record information you have marked under section 552.130 of the Government Code.²

In summary, the district must withhold the information you have indicated under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code. The district must also withhold the Texas motor vehicle record information you have marked under section 552.130 of the Government Code. The remaining information must be released.

²We note Open Records Decision No. 684 (2009) is a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including a Texas driver’s license number under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free at (888) 672-6787.

Sincerely,

Claire V. Morris Sloan
Assistant Attorney General
