Ms. J. Middlebrooks
Assistant City Attorney
City of Dallas
Criminal Law and Police Section

Dallas, TX 75215

OR2011-02383

Dear Ms. Middlebrooks:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 413528 (DPD P.I.R. # 2011-00379).

The Dallas Police Department (the "department") received a request for information pertaining to a specified accident. You claim portions of the requested information are excepted from disclosure under sections 552.101, 552.130, and 552.136 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information that other statutes make confidential, such as chapter 772 of the Health and Safety Code, which authorizes the development of local emergency communication districts. Sections 772.118, 772.218, and 772.318 of the Health and Safety Code are applicable to emergency 9-1-1 districts established in accordance with chapter 772. See Open Records Decision No. 649 (1996).

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

These sections make the originating telephone numbers and addresses of 9-1-1 callers furnished by a service supplier confidential. *Id.* at 2. Section 772.118 applies to an emergency communication district for a county with a population of more than two million. Section 772.218 applies to an emergency communication district for a county with a population of more than 860,000. Section 772.318 applies to an emergency communication district for a county with a population of more than 20,000.

We understand the City of Dallas is part of an emergency communication district established under section 772.318. You seek to withhold the telephone number of a 9-1-1 caller. We conclude the department must withhold the telephone number you have marked under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code to the extent it was furnished by a 9-1-1 service supplier. If the marked telephone number was not provided by a 9-1-1 service supplier, this information may not be withheld under section 552.101 in conjunction with section 772.318.

Section 552.101 of the Government Code also encompasses the doctrine of common-law privacy, which protects information that (1) contains highly intimate or embarrassing facts, the publication of which would be highly objectionable to a reasonable person, and (2) is not of legitimate concern to the public. *Indus. Found. v. Tex. Indus. Accident Bd.*, 540 S.W.2d 668, 685 (Tex. 1976). To demonstrate the applicability of common-law privacy, both prongs of this test must be established. *Id.* at 681-82. This office has found personal financial information not relating to a financial transaction between an individual and a governmental body is excepted from required public disclosure under common-law privacy. *See* Open Records Decision Nos. 600 (1992), 545 (1990). We find the information you have marked is highly intimate or embarrassing and of no legitimate public interest. Accordingly, the department must withhold this information under section 552.101 in conjunction with common-law privacy.

Section 552.130 of the Government Code provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title, or registration issued by a Texas agency is excepted from public release. Gov't Code § 552.130(a)(1), (2). The department must withhold the information you have marked, as well as the additional information we have marked, under section 552.130 of the Government Code.

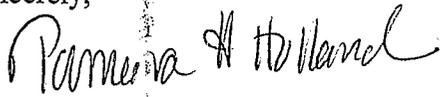

Section 552.136 of the Government Code provides in part that "[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." *Id.* § 552.136(b). This office has determined that insurance policy numbers are access device numbers for purposes of section 552.136. *See id.* § 552.136(a) (defining "access device"). You inform us an employee's identification number is used in conjunction with one additional digit in order to access the employee's credit union account. Therefore, the department must withhold the insurance policy number and employee identification number you have marked pursuant to section 552.136 of the Government Code.

In summary, the department must withhold the telephone number you have marked under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code to the extent it was furnished by a 9-1-1 service supplier. The department must withhold the information you have marked under section 552.101 of the Government Code in conjunction with common-law privacy. The department must withhold the information you have marked, as well as the additional information we have marked, under section 552.130 of the Government Code. The department must withhold the insurance policy number and employee identification number you have marked pursuant to section 552.136 of the Government Code.² The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
