Chief of the General Counsel Division
City of Dallas

Dear Mr. Ernst:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 411500.

The City of Dallas (the "city") received a request for information pertaining to a specified complaint, including the audio recording. You state the city will release some of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. You raise section 552.101 in conjunction with the common-law informer's privilege, which Texas courts have long recognized. *See Aguilar v. State*, 444 S.W.2d 935, 937 (Tex. Crim. App. 1969). The informer's privilege protects the identities of persons who report activities over which the governmental body has criminal or quasi-criminal law-enforcement authority, provided that the subject of the information does not already know the informer's identity. *See Open Records Decision Nos. 515 at 3 (1988), 208 at 1-2 (1978)*. The privilege protects the identities of individuals who report violations of statutes to the police or similar law-enforcement agencies, as well as those who report violations of statutes with civil or criminal penalties to "administrative officials having a duty of inspection or of law enforcement within their particular spheres." *See Open Records Decision No. 279 at 2 (1981) (citing 8 John H. Wigmore, Evidence in Trials at Common Law, § 2374, at 767 (J. McNaughton rev. ed. 1961))*. The report must be of a violation of a criminal or civil statute. *See Open Records Decision Nos. 582 at 2 (1990), 515*

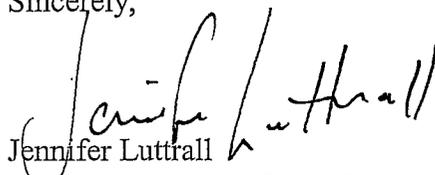

at 4-5. The privilege excepts the informer's statement only to the extent necessary to protect the informer's identity. *See* Open Records Decision No. 549 at 5 (1990).

You seek to withhold the submitted audio recording in its entirety under the informer's privilege. In some circumstances, where an oral statement is captured on tape and the voice of the informant is recognizable, it may be necessary to withhold the entire statement to protect the informant's identity. Open Records Decision No. 434 at 2 (1986). You state the audio recording at issue identifies an individual who reported possible violations of section 31-21 of the city's code, chapter 481 of the Texas Health and Safety Code, and section 801 of chapter 21 of the United States Code to the city's 3-1-1 call center. You state the complaint was routed to the city's police department, which you explain has the authority to enforce the provisions of the code and laws at issue. You also state that the alleged violations at issue are punishable by fines and criminal penalties. Upon review, we conclude the city may withhold the submitted audio recording in its entirety under section 552.101 of the Government Code in conjunction with the common-law informer's privilege.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
