Dear Ms. Middlebrooks:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 417966 (DPD Request No. 2011-1773).

The Dallas Police Department (the "department") received a request for information pertaining to a specified police report. You claim some of the requested information is exempted from disclosure under sections 552.101, 552.130, and 552.136 of the Government Code. We have considered the exceptions you claim and reviewed the information you submitted.<sup>1</sup>

Section 552.101 of the Government Code exempts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information other statutes make confidential. Chapter 772 of the Health and Safety Code authorizes the development of local emergency communication districts. Sections 772.118, 772.218, and 772.318 of the Health and Safety Code are applicable to emergency 911 districts established in accordance with chapter 772.

<sup>1</sup>This letter ruling assumes the submitted representative samples of information are truly representative of the requested information as a whole. This ruling neither reaches nor authorizes the department to withhold any information that is substantially different from the submitted information. See Gov't Code §§ 552.301(e)(1)(D), .302; Open Records Decision Nos. 499 at 6 (1988), 497 at 4 (1988).

*See* Open Records Decision No. 649 (1996). These sections make the originating telephone numbers and addresses of 911 callers furnished by a service supplier confidential. *Id.* at 2. Section 772.118 applies to an emergency communication district for a county with a population of more than two million. Section 772.218 applies to an emergency communication district for a county with a population of more than 860,000. Section 772.318 applies to an emergency communication district for a county with a population of more than 20,000. We understand the City of Dallas is part of an emergency communication district established under section 772.318 of the Health and Safety Code. You have marked the telephone number of a 911 caller the department seeks to withhold under section 772.318. Provided it was furnished by a 911 service supplier, we conclude the department must withhold the marked telephone number under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code.

Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator's or driver's license or permit or a motor vehicle title or registration issued by an agency of this state. *See* Gov't Code § 552.130(a)(1)-(2). We agree the department must withhold the Texas driver's license and motor vehicle information you have marked, in addition to the information we have marked, under section 552.130 of the Government Code.

Section 552.136 of the Government Code states that "[n]otwithstanding any other provision of [the Act], a credit card, debit card, charge card, or access device number that is collected, assembled, or maintained by or for a governmental body is confidential." *Id.* § 552.136(b); *see id.* § 552.136(a) (defining "access device"). This office has determined an insurance policy number is an access device for purposes of section 552.136. We therefore agree the department must withhold the insurance policy number you have marked under section 552.136 of the Government Code.

In summary, the department (1) must withhold the telephone number of the 911 caller you have marked under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code, provided it was furnished by a service supplier; (2) must withhold the marked Texas driver's license and motor vehicle information under section 552.130 of the Government Code; and (3) must withhold the insurance policy number you have marked under section 552.136 of the Government Code.<sup>2</sup> The department must release the rest of the submitted information.

---

<sup>2</sup>We note Open Records Decision No. 684 (2009), which this office issued, is a previous determination authorizing all governmental bodies to withhold ten categories of information without the necessity of requesting an attorney general decision, including Texas driver's license and license plate numbers under section 552.130 of the Government Code and an insurance policy number under section 552.136 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
