Dear Ms. Villarreal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 413974 (LG-11-066).

The Waco Police Department (the "department") received a request for information pertaining to the purchaser of a specified impounded vehicle. You claim some of the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 of the Government Code excepts from disclosure "information [that] relates to . . . a motor vehicle operator's or driver's license or permit issued by an agency of this state [or] a motor vehicle title or registration issued by an agency of this state." Gov't Code § 552.130(a). Upon review, we agree the department must withhold the Texas motor vehicle record information you have marked pursuant to section 552.130 of the Government Code.<sup>1</sup>

<sup>1</sup>We note this office issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including a Texas license plate number under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Sean Nottingham
